## Plan to Attend the “Craniofacial Symposium” in Toronto!

### ACCREDITATION

Pfiedler Enterprises is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### SYMPOSIUM HIGHLIGHTS

The *Craniofacial Symposium* is designed for specialists and residents in oral and maxillofacial, otolaryngology-head and neck and plastic surgery who wish to observe surgeon experts perform reconstruction on interesting adult and pediatric cases; noting intraoperative decision making and the use of techniques, devices and biologic technologies.

On the first day, the symposium will feature multiple live surgeries, offering an engaging opportunity to view cases firsthand and interact with colleagues via surgeon moderators. The next day offers a thoughtful assessment of the day's previous cases and short-term outcomes. Faculty will spend the second day presenting lectures and panels on topical and controversial areas in adult and pediatric craniomaxillofacial surgery.

For additional meeting and faculty information as it becomes available, please visit our website:
